BEFORE GOING TO THE THEATRE

1. SYNOPSIS

Eliza Doolittle is a poor cockney speaking "flower girl" who dreams of a better life. Read the description of each character.

Eliza Doolittle is a poor girl who sells flowers on the street. Her dreams of a better life (and huge amounts of chocolate) will be the main motivation for her to decide to take pronunciation lessons under the tutelage of Professor Higgins.

Henry Higgins is an academic with vast knowledge of phonetics, a branch of linguistics that allows him to deduce people's origins by the way they speak within six miles. He is not very nice or kind, but accepts the bet of turning Eliza into a duchess.

Colonel Pickering is a linguist from the same social stable as Higgins himself. He has travelled to London to meet Higgins, because he admires his reputation and his studies of speech. His intrepid personality will lead him to bet with the teacher something that he considers impossible: to turn a flower seller into a duchess.

4. FROM LONDON TO...

Pygmalion takes place in London, the capital of the United Kingdom. Answer these questions:

Sur une feuille à part, faites une description de ce que vous portez aujourd'hui. Ensuite pliez le papier et donnez-le à votre professeur. Vous lisez à voix haute et vous essayez de deviner à qui appartient la description vestimentaire que vous venez de lire.
