WHEN I DRAW I AM FREE

Come with me and my friends
Peter rabbit is here too
There's a world of imagination
For me and for you
I feel free

When i draw i feel free
In this world of imagination
That comes out of me
When i draw, this is me

Come with me and my friends
Come with me
Peter rabbit is here too again
In this world of imagination
For me and for you
Oh i feel free

When i draw i feel free
There's a world of imagination
That comes out of me
When i draw, this is me
I feel free

I feel free

PETER RABBIT IS MY NAME

Do you want to be my friends?
Peter rabbit is my name
Come with me, on an adventure
And fun will never end!

Run over here, jump over there
Peter rabbit is my name
Jump over here, run over there
Adventures never end

With my blue jacket everywhere
My two long ears and brown brown hair
I'm cooler than some tricky mouse
Peter rabbit's in da house

Run over here, jump over there
Peter rabbit is my name
Jump over here, run over there
Adventures never end

MCGREGOR'S SONG

Hello there lads and lassies,
I mean boys and girls
And welcome to my garden,
Paradise on earth

Here i plant some seeds to grow,
And up, and up, and up they grow
And give me juicy fruits, you know,
And vegetables, of course!

(quickly)

Hello there lads and lassies,
I mean boys and girls
And welcome to my garden,
Paradise on earth

Here i plant some seeds to grow,
And up, and up, and up they grow
And give me juicy fruits, you know,
And vegetables, of course!

Some carrots and tomatoes,
Some beans and some potatoes,
As healthy as they are
Some carrots and tomatoes,
Some beans and some potatoes
As healthy as they are
As healthy as they are
As healthy as they are (x2)
