

ELMER

THE PATCHWORK ELEPHANT

Early years

THE STORY

Elmer, the patchwork elephant, is a different elephant. He enjoys the role of being the clown of the elephant herd. All the other elephants laugh at his jokes and enjoy the games.

However, one day, Elmer stops having fun playing with the other elephants. Now is the time to learn that it is OK to be different.

Elmer teaches us that everyone has something unique to bring to the table and there's no point trying to disguise your true self. Always be yourself.
